bkugman@kugman.com

For more than 25 years, Brent has represented businesses, lenders, and private equity as a financial and operational advisor. His expertise is in transactional matters, including acquisition of underperforming companies, management advisory services, strategy, operations management, and complex informal and formal financial restructurings and proceedings. During his career, Brent has been appointed receiver and chief restructuring officer in numerous matters. He is presently board member for several companies owned by private equity firms. Brent also raises investment capital and secures debt for his clients. He has acted as an exclusive investment banker in distressed and stressed business sales. He has created strategy to monetize positions for corporations and their stakeholders. His clients range from \$20 million to over \$1 billion in annual revenues.

Brent and the firm also invest in the purchase of: secured loans; distressed assets – going concerns and liquidations; assets or stock, family businesses, corporate carve-outs of non-core assets.
